

JOB OPPORTUNITIES

County Engineer

Type: Full Time
Salary/Pay Rate: Salary is commensurate with experience and qualifications.
Posted Date: 5/23/2018 3:45 PM
Deadline to Apply: 6/7/2018 5:00 PM

GREENWOOD COUNTY is currently recruiting for a highly qualified **County Engineer** to join their leadership team. The ideal candidate, under limited supervision, will supervise, plan and direct the activities of the Engineering Department in order to ensure the proper management of engineering projects to meet the needs and growth of Greenwood County and its municipalities. The County Engineer may also play a prominent role in establishing design criteria and give approval of new roads, drainage systems, flood control improvements and infrastructure throughout the County and municipalities including Lake Greenwood and its surrounding properties, County Airport operations, and other projects that are sensitive in nature.

Minimum Training and Experience: A Bachelor's degree in engineering with six to nine years of progressively responsible engineering design and project management experience, lake management experience and computer-aided design experience, OR an equivalent combination of education, training and experience that provides the required knowledge, skills and abilities. Professional Engineer (PE) certification preferred.

The ideal candidate will have experience with FERC requirements, knowledge of Munis software and the AS400 system.

Salary is commensurate with experience and qualifications.

Qualified applicants may email resumes **AND** a completed job application (found at www.greenwoodsc.gov) to hr@greenwoodsc.gov or apply in person at
Monument Street, Park Plaza, Room 102, Greenwood, SC 29646
